**FOR IMMEDIATE RELEASE**

**St. Anne's Introduces "Taste of Spain" — A New Marquee Cultural and Culinary Event for Kenosha & Pleasant Prairie**

*Kenosha, WI* — St. Anne's Parish is proud to announce the launch of **Taste of Spain**, an inaugural premier event designed to celebrate culture, cuisine, and community in the heart of Kenosha County.

Taking place on **September 13th**, Taste of Spain is poised to become one of the region's signature annual experiences, bringing together parishioners and the wider Kenosha and Pleasant Prairie communities for an evening of exceptional Spanish-inspired food, entertainment, and hospitality.

Guests will enjoy authentic cuisine prepared by **Olde Madrid**, live flamenco music and dancers, an olive oil tasting experience, a homage to the Spanish saints and cultural heritage of Spain, and a live auction featuring exclusive items and experiences.

With a limited capacity of **only 250 attendees**, the event is intentionally designed to offer an intimate, high-quality experience that blends cultural immersion with community connection.

"We wanted to create something truly special—an event that not only celebrates Spanish culture and cuisine, but also brings people together in a meaningful way," said Richard Sosa, Director of Marketing for Taste of Spain. "This is about building community, sharing beauty, and offering an experience that stands out in our region."

Taste of Spain is expected to attract food enthusiasts, cultural explorers, community leaders, and residents seeking unique and engaging local experiences. As interest grows, organizers anticipate strong demand for both tickets and sponsorship opportunities.

Tickets are priced at **\$100 per person**, and due to limited seating, early purchase is strongly encouraged.

In addition to ticket sales, St. Anne's is currently seeking **event sponsors and community partners** who wish to be part of this inaugural celebration. Sponsorship opportunities offer visibility to a highly engaged local audience and association with one of the newest cultural marquee events in the Kenosha–Pleasant Prairie area.

"This is more than a fundraiser," Sosa added. "It's the beginning of something we believe will become a defining annual event for our community."

## **About St. Anne Catholic Church**

St. Anne Catholic Church, in Pleasant Prairie, Wisconsin, was established in 1998 to serve the young and growing population west of Hwy. 31. With a focus on reverent and sacred liturgy, our vision is to be a haven of God's love, grace, and hope where all people in our region discover Christ, follow Christ, and share Christ. Our parish mission is to foster a solid sacramental life and build a parish family where good teaching allows us to grow our community and be a place where all people can encounter Christ.

St. Anne is known for its warmth, generosity and hospitality, where families can grow and prosper through vibrant involvement in Parish life. The name St. Anne was selected in honor of a St. Anne parish in Milwaukee that had closed after 100 years. The Archbishop thought it was important to have a parish named after the mother of Mary in the diocese.

Our first Mass was celebrated on July 26, 1998 – the feast day of Sts. Joachim and Anne – in the cafeteria of Pleasant Prairie School. We celebrated Mass in our church for the first time on September 11, 2004. The church was dedicated on October 3, 2004 by Archbishop Timothy Dolan. Our offices moved to the church campus in March 2007 when the Parish Center was sold.

Today, there are more than 1000 households that are part of St. Anne, with at least 50 percent of those households actively involved in parish life. Making and growing disciples remains at the heart of all we do. We believe this begins with our faith experience. Growing – in faith and spirituality – is a key pillar of parish life here at St. Anne. We know learning about our faith is a lifelong endeavor and is rooted in developing an authentic relationship with our Lord Jesus Christ.

At St. Anne, we offer a number of ways to grow in faith. We invite you to learn on this website of the many ways you can grow in faith and with our parish community.
