The Ascension of the Lord **Grace Builds on Nature**

A seminary theology professor of mine was always reminding us of this second choice with the words, "Gentlemen, remember that grace builds on nature." It is through the world around us—through those God has planted into our experience—that God will be revealed. People who are involved in the Church's work of Christian initiation learn this through their ministry. As they listen to the stories of people who are experiencing deep conversion, they begin to meet the Lord in new ways. It is as if the Lord Jesus is being born again right before their very eyes. Perhaps in the past you have heard today's Gospel mandate and cast it aside saying, "Oh, Jesus really meant those words for priests, and I'm certainly not a priest." Perhaps today's feast is the opportunity to realize that these words are meant for each one of us. If grace does build on nature, let's open our eyes to possibilities of discovering Christ all around us, rather than staring blankly into the sky.

Spiritual Adoption—Month 7

"I can look around!"

You are in the home stretch with your spiritually adopted baby. Beginning this month the baby uses all four senses. He can see, hear, taste, touch, cough, yawn and hiccup. He now recognizes his mother's voice, and ultrasound reveals that he likes to open his eyes and look around. During this time he will also receive antibodies from his mother protecting him from a wide variety of diseases. We want to continue praying for our babies entering their final months in the womb since complications may arise at the end of the pregnancy and through the delivery process.

If you need a new prayer card, they are available in the white basket at the foot of the statue of our Blessed Mother. Thank you and continue praying for our babies and their parents.

Fraternal Benefits Night

Divine Mercy Knights of Columbus Council invites all parishioners to a "Fraternal Benefits Night" on Saturday **June 3rd** at St. Anne's after the 5:15 p.m. Mass. Learn more about the scholarships, financial protection, and programs involving widows and orphans. This Fraternal Benefits Night which will be held in the multi-purpose room.

We all worry about our children but have you purchased life insurance for them? When you insure a child, you are protecting his or her future. Did you know that one out of every six adults get rated, postponed, or denied for insurance coverage? If you purchase a policy for your child from the Knights of Columbus with a guaranteed purchase option, it guarantees that more insurance can be purchased for that child at certain set dates, without proving insurability. Please come learn more about very affordable child policies and other benefits from local Field Agent Michael Benner.

"...Gather the children..." Joel 2:16

A few spots left for Vacation Bible School (VBS) for children ages 3-11. The cost is \$25 per child for five days of fun, 8:30am-11:30am **July 24-28**. Go to our website: www.saint-anne.org

If you're interested in helping with VBS, we need lots of loving adults to serve in this special way. Will you be one of them?? High-schoolers are welcome to apply, too!

At ASCS we say and live the words of our honor code every day. We know the importance of these words and put them into action:

We honor God our Father, Jesus Christ our Savior, and the Holy Spirit. We honor our parents and family. We honor ourselves.
