THIRD SUNDAY OF

Easter

APRIL 15, 2018

Thus it is written that the Christ would suffer
and rise from the dead on the third day
and that repentance, for the forgiveness of sins,
would be preached in his name to all the nations.

Fault or Fate?

Peter seems to be pretty tough with his listeners in the first reading. He practically says they handed Jesus over, denied him before Pilate, asked for a murderer to be released in his place, and put Jesus to death. They must have thought they were doomed. But then he tells them that God had planned all this long ago. So is he saying Jesus' death is their fault, or just fate?

The answer of course is that it's everyone's fault. We deny Jesus when we choose to be selfish instead of loving. We crucify Jesus when we follow the crowd instead of following the Lord. It is only "fate" in the sense that our sins needed to be forgiven and God plan's for salvation was through Jesus' death and resurrection. There were sinners long before Jesus' time and God knew there would be sinners after that. Jesus rose from the dead to show that God's forgiveness raises us up from guilt to a new life.

So Peter wasn't laying a guilt trip on the listeners: this is good news. God planned all this to show how much he loved us. Our response should be one of joy that we are forgiven because of that love. All we have to do is tell God we are sorry, mean it, and start living our response of love. Sins may be our fault, but Love is our fate.

April is National Organ Donation Awareness Month

There are currently 2,200 people in Wisconsin waiting for life-saving organ transplants and 114,000 nationally. Nearly 3 million Wisconsin residents have registered to be organ donors but the need is still great because 18-20 people die every day in America while waiting for life-saving organ transplants.

Please join the Bevec and Dietz families as they share the important message of organ donation registration on Sunday, April 20th after each Mass in the gathering space. There will be information on how to register as an organ donor and information you can take home to discuss with your family. Both families have received the gift of life from organ donors; Claire Bevec is a kidney transplant recipient and a junior at SJCA. Husband and father of two, Jim Dietz is a double lung transplant recipient...both are in our lives at St. Anne today because of others who made the decision to support **LIFE** and be organ donors.

"The act of organ donation is a testimony of love for our neighbor." ~Pope Francis
