GOD'S WORK

We are so busy! Most of us have more than one job to do, and we never seem to have enough time. We are workers, volunteers, parents, friends, and most of us are more than one thing at a time. But which of these is the work of God?

We seldom view our ordinary work as being the work of God. We may think that we have to be ministers or priests, missionaries or charity workers, engaged full-time in works formally identified as being "God's work." But everything we do with a faithful heart and with love for others is God's work. We each have our own role to fill in the world, and many gifts are necessary. We cannot always see the direct connection of our daily work to the plan of God. But we trust and we believe that God leads us to do what is needed, where it is needed. What is "God's work?" "This is the work of God, that you believe in the one he sent" (John 6:29).

Scrip Challenge!

By simply making the intentional decision---and with the smallest amount of planning ahead---parishioners help the church finances in a really meaningful way. Take a moment to preplan purchasing needs, whether it is for groceries, gifts, gas, dining, entertainment, donations, or other needs so that you can take part in our SCRIP program. Explore the options for gift card possibilities as well as the method of acquiring those cards both in person or through a digital acquisition. In efforts to increase our parishioner participation in the program and make a positive impact with church finances, please make the purchase of SCRIP cards part of your weekly/monthly considerations for at St. Anne. Thank you.

Are you deciding where your child will attend school next year?

Don't just take our word for it, but perhaps consider the more than 400 families that choose All Saints Catholic School for their child/ren and who continue to re-enroll year after year. You probably know a family whose child attends ASCS. Ask them what they like about ASCS or what made them choose ASCS. Our families' testimonials continue to be a valuable resource to our school community. We often hear that it is those testimonies that prompt families to call us and inquire more about ASCS. The firsthand experience our families give, coupled with the quality faith-filled education that our dedicated ASCS teachers provide, makes an ASCS family testimony priceless to a discerning family that wants the best for their child! Call us we'd love to hear from you!

We still have some spots available for the 2018-19 school year! (262)925-4024 (allsaintskenosha.org)

St. Joseph Catholic School

Middle School is one of the most important educational junctures in a child's academic career, as the skills and habits developed in middle school are not only indicators of high school achievement, but also directly impact college success. SJCA Middle School focuses not just on the academic skills necessary for future success, but also on the specific habits that lead to independent, purposeful learning. SJCA Middle School fully prepares students for high school and beyond. Our data shows that students who attend SJCA Middle School score higher on the ACT than their peers from other feeder schools, often by as much as four points. Come and see the difference SJCA Middle School can make for your child. To learn more about SJCA, please contact SJCA Admission Directors Jen Santelli and Molly Ryan at 262-654-8651 (ext. 104) to schedule a visit today or email them at admissions@sjcawi.org. A Retreat for Women at Bellarmine Jesuit Retreat House in Barrington, Illinois,

"Answering the Call to Labor with Christ". St. Ignatius understood that each of us - not just a small group of select people - are called to participate with Christ in the building of God's Kingdom. What does that call look like today? And what does it take for us to respond wholeheartedly to that invitation? During this weekend, we will explore key elements of the Spiritual Exercises of St. Ignatius which are aimed at helping us grow in our response to God's invitation.

When: **September 28-30, 2018**, (from 5:00 on Friday until 1:00 Sunday).

Resolving an argument: Strategy #2 COMPROMISE. Marriage is all about compromise. Sometimes taking turns or finding a middle ground is acceptable. Try it before going on to the harder strategies. Next week – #3: CHANCE
www.susanvogt.net

Does your child have any peace and quiet. This is especially important for teens who often fill spare moments with things next to their ear – i-Pods, cell phones, video games, even nagging parents. If noise is always in their ears, it doesn't leave much room for pensive thinking. You can't make your child think, but you can make space for it by having common sense rules about overuse of media. www.susanvogt.net
