STRENGTHENED BY THE BREAD OF LIFE

Today we resume the “Bread of Life” discourse from John’s Gospel that began two weeks ago. He makes reference to the Jews’ ancestors who ate manna in the desert. These days we would think primarily of Israel wandering in the desert, but faithful Jews would also have known the story of Elijah that we hear today. Strengthened by food and drink in the desert, the angel of the Lord sends him on his forty-day and forty-night journey (the biblical number for a preparation time). Like the food given to Elijah in the desert, Jesus tells his listeners that he is bread for the life of the world. It is very important that we not stop listening to Jesus after his promise of eternal life—a marvelous promise, but this “reward” is not the only reason we feast on the Bread of Life. We also come to the table to be made strong for the journey of mission, that the whole world might have life in the fullness of Christ. We are compelled, if we have eaten of the bread of life, to go forth in service to all.

Are you deciding where your child will attend school next year?

Don't just take our word for it, but perhaps consider the more than 400 families that choose All Saints Catholic School for their child/ren and who continue to re-enroll year after year. You probably know a family whose child attends ASCS. Ask them what they like about ASCS or what made them choose ASCS. Our families' testimonials continue to be a valuable resource to our school community. We often hear that it is those testimonies that prompt families to call us and inquire more about ASCS. The firsthand experience our families give, coupled with the quality faith-filled education that our dedicated ASCS teachers provide, makes an ASCS family testimony priceless to a discerning family that wants the best for their child! Call us we'd love to hear from you!

We still have some spots available for the 2018-19 school year! (262)925-4024 (allsaintskenosha.org)

A Retreat for Women at Bellarmine Jesuit Retreat House in Barrington, Illinois,

"Answering the Call to Labor with Christ". St. Ignatius understood that each of us - not just a small group of select people - are called to participate with Christ in the building of God's Kingdom. What does that call look like today? And what does it take for us to respond wholeheartedly to that invitation? During this weekend, we will explore key elements of the Spiritual Exercises of St. Ignatius which are aimed at helping us grow in our response to God's invitation.

When: ***September 28-30, 2018***, (from 5:00 on Friday until 1:00 Sunday).

Laughter, when shared, is a healing balm. Share jokes today. Does your family have any stories about family foibles that get repeated over and over at family gatherings? It doesn't matter

that it's embarrassing, it becomes family mythology. Ours has to do with a baked potato that someone sat on. What's yours?
