SAFEGUARDING

Your child is loved by God and His Church! In the pastoral effort to respond to the need for the protection of children and youth, the Archdiocese of Milwaukee continues its Safeguarding All of God's Family program with curriculum for all children and youth ages 4 – 18. As a part of this program, all children in grades **9th through 12th** enrolled in our faith formation programs will be given additional information on how to protect themselves and become more aware of their surroundings.

Here at St. Anne your child is loved! Catechists will be using the lessons from the website that may be found here: <https://www.archmil.org/offices/safeguarding/educators/Curriculum-English.htm> to help them lead discussions on this important topic. Please pray for our catechists to bravely say what needs saying and, like Jesus, do what needs doing. We'll be doing the same for YOU!

Your child will be discussing this information **in classes on March 3rd, 2019** with their catechists and peers. If you'd like to join them you are welcome and encouraged to attend with your child on this date during our regularly scheduled Faith Formation classes.
