MID-LENT CHECK-IN

God says to Moses, "This is what you shall tell the Israelites: I AM sent me to you . . . The LORD, the God of your [ancestors], the God of Abraham, the God of Isaac, the God of Jacob" (Exodus 3:14, 15). As Jesus would later say, God is not a God of the dead, but of the living, and so we believe that the dead will one day rise. At this midpoint of Lent, we pause to consider how our repentance is leading us to the Resurrection, to our reunion with the great "I AM." Part of our repentance involves working to secure justice for all and helping our neighbor to live in God's ways. We encourage each other and nurture each other, like the compassionate gardener of today's Gospel, who tells the owner of the orchard that he will nurture the tree, fertilize it, and perhaps it will bear fruit. Natural Family Planning Workshops Are For Everyone

Natural Family Planning is a natural, scientific, holistic approach to fertility care. Whether one is single and wanting to manage their menstrual cycle, concerned about PMS or painful periods, trying to avoid or achieve pregnancy, experiencing infertility, or seeking an alternative to artificial birth control, NFP is an excellent option. These workshops, taught by one of our local FertilityCare Practitioners, will introduce NFP in a broad sense and also explain the differences between the several NFP models. Following the workshops, a practitioner will be available for follow up to serve one's specific fertility needs. This could include navigating cycle irregularities and connecting one with specialists trained in diagnosing and treating medical conditions. Please share information about the NFP Workshops with everyone in your parish. For information on registration and workshop dates, you can contact Emily Burds, the Associate Director for the Office of Marriage and Family Life at 414-758-2213 - or email burdse@archmil.org, or Tori Pohl, the Archdiocesan NFP Coordinator, at 414-758-2241 - or email pohlt@archmil.org. At St. Joseph Catholic Academy, Lent is a time of deep reflection, prayer, service and devotion. Through the Stations of the Cross, Confession, Mass, Eucharistic Adoration, and meaningful service to others, our students have not only gained a deeper understanding of our Catholic faith, but they have also grown closer to Christ this Lenten season. This week our sophomore class heads to the University of Notre Dame for their overnight retreat. SJCA is only one of a handful of schools in the nation that has this unique retreat experience.

⇒ **Marriage Moments:**

There are many messages to be understood in the story of the Woman at the Well (John 4:5-42) - the role of women, the importance of hydration, what qualifies a person as a true husband, the woman being sent as a disciple to proclaim the Christ... Pick one and discuss it together. www.susanvogt.net

⇒ **Parenting Pointers:**

We're in the middle of Lent. How has abstaining from something (meat, deserts, gossip, etc.) or doing something extra strengthened you? Has it made any difference yet? Ask your kids how their Lenten commitment is going? It's not too late to refresh, renew, and reboot. www.susanvogt.net
