2) Please tell how you felt, before the Service experience, during the Service experience and after the Service experience?

3) What did you find most difficult about the Service experience? Most enjoyable/worthwhile about the experience?

4) In the Gospels, Jesus frequently shows us how to serve by his example and demonstrates the importance of service through his teachings. Please find in the Gospels one or two examples of what it means to serve others after the example of Christ. List the Gospel, chapter and verses, and briefly describe what it says.

5) Based upon your Gospel examples above, describe how your service experience was a Christian service experience.

7) If you were to take part in a similar Christian service experience again, what changes would you suggest that would make the whole experience even better for others you served?
