10 Hours Community Service done as a family

As a family, perform a Christian Service Project together.

"Train up a child in the way he should go, and when he is old he will not depart from it." ~ Proverbs 22:6

Coming face to face with human need can be a truly transformational experience
 opening an entirely new point of view of the world from a Christian perspective

10 Hours Community-related

Why is it required?

Service is an integral part of the mission of the Church, which includes Word, worship, and service. We live the mission of service as we serve one another and the world. We can celebrate the action of the Holy Spirit in our lives and recognize that each of us is blessed with the Gifts of the Holy Spirit. Confirmation preparation is a crucial time to help young people discern how they might put their gifts to use in serving their parish, their community, and the world.
